REFUGEE WEEK 2023 REPORT

Refugee Week is an annual event organised by the Southwark Refugee Communities Forum (SRCF), an umbrella organisation supporting refugee organisations and groups in Southwark. This event is an opportunity for Southwark refugee communities to come together hand in hand to showcase their culture, work and activities.

We were grateful for the presence of Southwark Refugee & Migrant Project.

Cllr Jasmine

Visitors were entertained with family friendly activities: henna tattoo artists, face painting artists, pinatas, Bolivian dancers, Ahwazi traditional dance, West-African drummers, Albanian dance, Caribbean ballet, and a fantastic Ukrainian bandurist (player of bandura, a Ukrainian traditional instrument – cf. photo on cover page).

We received lots of positive feedback from both members of the public and Refugee Organisations.

We are particularly grateful that new groups we are supporting to be registered took part in this event, such as the Sudanese Ukrainian, Yemeni and Syrian groups.

Caribbean ballet

“This event was fantastic. I was so ecstatic to see Albanian dancers in London...what a treat!”

“I had a great day! So many performances and nice food. I managed to check my health and got some legal advice. That was a great time!”

“Thank you for organizing this wonderful event. It was great to have a day dedicated to Refugees, out of life at the hostel.”

The theme of this year's Refugee Week was 'Compassion'. We believe that we managed to raise awareness of a great presence of refugees in Southwark, a positive presence as they could showcase some of their talents, beauty, culture and most importantly a tribute to resilience when compassion is demonstrated through sanctuary.

The SRCF, the Southwark Day Centre and the Voluntary & Community Sector (VCS) are working closely with Southwark Council to become a borough of sanctuary for Refugees, Asylum Seekers, and vulnerable migrants.
