The Hotdesking Project

SRCF Creating a Stronger Refugee and Community Sector in Southwark

Give your organization a chance to grow

The Hotdesking Project offers **capacity building support** to our members, particularly to newly established and small refugee community groups, that have no office accommodation or adequate office facilities.

As a refugee community leader in Southwark, you will be able to **use the facilities** offered by the Hotdesking Project **to produce publicity materials, newsletters, leaflets and the creation of websites to promote your activities and improve your outreach work to the wider community.**

How your organization will benefit from the Hotdesking Project

The Hotdesking Project offers the members of the Southwark Refugee Communities Forum the **opportunity to have free access to:**

- Computers
- A Printer
- IT Support
- A Scanner
- A Photocopying Machine
- Software Programmes
- Cameras
- Projector & Screen
- Internet & E-mails
- Supplies of cartridges, paper & stationeries
- Website Building
- Telephone

The Hotdesking Project presents an opportunity for all the members of the Southwark Refugee Communities Forum to receive **capacity building support and to have access to up-to-date technological equipment**

The use of computers and IT technologies offered by The Hotdesking Project will allow the members of SRCF to improve the services provided to their communities

How you can access the services provided by the Hotdesking Project

Visit SRCF website to download the **Booking Form & the Lending Form**, fill them in and return them to SRCF staff
